QUALITY TOURS SINCE 1949

Dear Friends,

In 1634, the villagers of Oberammergau first performed a Passion Play in fulfillment of their promise to God for sparing them from the Black Plague. It has been presented there every 10 years ever since.

The next presentation is in 2022. I'm leading a pilgrimage that culminates in that German city. And I hope that you will consider this very special excursion.

But that's not all! We will also visit culturally and spiritually enriching sites in Prague and Poland!

In addition to Oberammergau, we'll experience the great Old World cities of Poland, such as its beautifully restored capital Warsaw. We will see the Jasna Gora Monastery with its world-renowned Black Madonna and the medieval architecture of Krakow. While in the capital of the Czech Republic, Prague, we will find castles, cathedrals and picturesque landscapes that will make both medieval and modern history come alive.

The price of our tour includes roundtrip airfare, first class/select hotels and guesthouses in Oberammergau, most meals, reserved full view admission tickets for the Passion Play, the services of a professional tour director and sightseeing in a deluxe motorcoach.

We look forward to having you join us on this trip of a lifetime. It promises to be a wonderful experience for all with time to enjoy the fellowship of old friends and new. As you may know, I have travelled many times with Nawas International Travel to whom our arrangements have been entrusted. They have earned a reputation for reliability and excellence in their nearly 72 years of business. I work exclusively with them.

While the year 2022 seems a long way away, NOW is the time to make plans and reserve your place on the tour as space is limited. Don't miss out on this opportunity to see the Passion Play and experience the history, culture and remarkable scenery of Poland, the Czech Republic and Bavaria!

Sincerely yours in Christ,

fr. paul

THE PASSION PLAY OF OBERAMMERGAU

THURSDAY, SEPTEMBER 15

The highlight of your trip! In keeping with their 389-year old promise, the villagers of Oberammergau present their Passion Play depicting the last week of the life of Christ. The play's presentation can be traced to 1633 when the Black Plague swept Europe. The people of Oberammergau took a solemn oath: if God spared them, they would present a day-long play depicting the last week in the life of Christ. To this day they have kept their promise and every ten years the citizens of Oberammergau perform their passion play with the same love and devotion they have shown for over 380 years. Today the play takes place on an open-air stage with a covered auditorium seating 4,700, against a beautiful backdrop of towering Alpine mountains. (B,D)
